**REVIEWED/REVISED: 3/03, 8/04, 8/05, 7/06, 8/07, 9/08, 9/09, 10/10, 11/11, 3/13, 5/14, 9/16, 2/19, 2/20, 1/22, 7/23, 4/26**

---

### **PURPOSE:**

To orient and educate staff to the goals and mission of nutrition care and to their role in the nutrition care goals.

### **POLICY:**

The Director of Nutrition Services/Registered Dietitian Nutritionist provides education and orientation information concerning the staff's role in nutrition care.

### **PROCEDURE:**

The WCRH Clinical Staff will receive education on nutritional care of patients. This includes but is not limited to:

- a. Nutrition screening and assessment process
- b. Food delivery and menu selection process
- c. Food service communication
- d. Calorie count intake data
- e. Snacks and supplements
- f. Meal supervision
- g. Food and Medication Interactions
- h. Formula preparation
- i. Formula formulary
