Mission Statement

Unlocking the potential of every child, every day.

Vision

Redefining pediatric medical and rehabilitative care in our community through innovation, best practice, and exemplary service.

Values

- Teamwork: We treat one another with respect, creating value by working together within and across our businesses.
- Trust: We have confidence in each other and rely on the character, ability and strengths of each team member.
- Respect: We show respect for the dignity of the individual. We value and champion our human differences.
- Caring: We display kindness and concern for all people.
- Accountability: We are responsible, individually and in teams, for our behaviors, actions and results.
- Integrity: We communicate openly and honestly and build relationships based on trust, respect and caring.
- Quality: We fulfill our promise to deliver the best.

The Governing Body of WCRH shall evaluate the Hospital's performance in relation to its' mission, vision and values annually.
